4.13 School Closure

The Board is responsible under the *School Act* for the effective and efficient operation of schools in the school district.

The Board has the authority to close a school for reasons which include:

- a. declining student enrolment such that the school is no longer economically or operationally viable;
- b. restructuring of educational programs, consolidation of operations and relocation of students to other schools in the school district which results in the school being deemed surplus to the districts educational needs; or
- c. the school is being replaced with a newly constructed school.

The closure of schools has significant impact and therefore the Board will follow a process that provides adequate opportunity to consult with those who will be affected prior to any final decision being made.
