Revelstoke Board of Education

Policy Manual

4.9 Authorized Use of School/District Equipment

The Board believes school and district equipment is to be used for the benefit of students and their educational programs and activities.

All school equipment must remain on school premises except when the equipment is being used in connection with educational programs or activities for students and other district approved activities as authorized by the district.

All equipment in schools, except for personal property of staff members, is the property of the School District. Equipment is not available for rental or for personal use.

The supervisor/principal will keep a record of off-site use of equipment.
