### **6.3 Staff Health, Safety and Accident Prevention**

The Revelstoke Board of Education believes that staff health is integral to positive learning environments for students. To this end, the Board supports an Employee and Family Assistance program and joint initiatives which focus on staff well being.

The Board is committed to providing a safe working environment, equipment and materials, as well as implementation of a program of safety education.

#### Guidelines

1. Administration shall develop safe work procedures conducive to both an accident free and healthy work environment.
2. It shall be the responsibility of every employee to follow proper work/safety procedures, to observe all regulations pertaining to his/her work, and to cooperate in attaining the objective of a safe work environment. All employees shall report both real or potential safety/health hazards to his/her principal/supervisor.
