(Revelstoke)

Revelstoke Board of Education

Policy Manual

8.1 The Community and our School District

The Revelstoke Board of Education values community involvement and connections that enhance learning opportunities for our students.

The Revelstoke Board of Education establishes priorities that put student learning at the centre through a Strategic Planning Process that engages both the schools and the broader community.

The Revelstoke Board of Education has the responsibilities of implementing statutory requirements as outlined in the *School Act*, legislation, and Ministerial Orders and responding to the community's expectations and values as they pertain to the learning environments for our students.
